2. **The Parties’ Roles.** The parties agree that with regard to the Processing of Personal Data, Customer is the Controller, QuickLaunch is the Processor, and that QuickLaunch or members of the QuickLaunch Group will engage Sub-processors pursuant to the requirements of this DPA.
3. **Customer Responsibilities.** Customer shall, in its use of the Service, Process Personal Data in accordance with the requirements of Data Protection Laws and Regulations, including any applicable requirements to provide notice to Data Subjects of the use of QuickLaunch as Processor. For the avoidance of doubt, Customer’s instructions for the Processing of Personal Data shall comply with Data Protection Laws and Regulations. Customer shall have sole responsibility for the accuracy, quality, and legality of Personal Data and the means by which Customer acquired Personal Data. Customer specifically acknowledges that its use of the Service will not violate the rights of any Data Subject that has opted-out from sales or other disclosures of Personal Data, to the extent applicable under the CCPA.

4. **Processing Purposes.** QuickLaunch shall keep Personal Data confidential and shall only Process Personal Data on behalf of and in accordance with Customer's documented instructions for the following purposes: (i) Processing in accordance with the Agreement and applicable Order Form(s); (ii) Processing initiated by Users in their use of the Service; and (iii) Processing to comply with other documented, reasonable instructions provided by Customer (for example, via email) where such instructions are consistent with the terms of the Agreement. QuickLaunch shall not be required to comply with or observe Customer's instructions if such instructions would violate the GDPR or other EU law or EU member state data protection provisions.
5. **Scope of Processing.** The subject-matter of Processing of Personal Data by QuickLaunch is the performance of the Service pursuant to the Agreement. The duration of the Processing, the nature and purpose of the Processing, the types of Personal Data and categories of Data Subjects Processed under this DPA are further specified in Appendix 1 to this DPA.
6. **Data Subject Requests.** To the extent legally permitted, QuickLaunch shall promptly notify Customer if QuickLaunch receives a request from a Data Subject to exercise the Data Subject's right of access, right to rectification, restriction of Processing, erasure ("right to be forgotten"), data portability, object to the Processing, or its right not to be subject to an automated individual decision making ("Data Subject Request"). Factoring into account the nature of the Processing, QuickLaunch shall assist Customer by appropriate organizational and technical measures, insofar as this is reasonably possible, for the fulfilment of Customer's obligation to respond to a Data Subject Request under Data Protection Laws and Regulations. In addition, to the extent Customer, in its use of the Service, does not have the ability to address a Data Subject Request, QuickLaunch shall, upon Customer's request, provide commercially-reasonable efforts to assist Customer in responding to such Data Subject Request, to the extent that QuickLaunch is legally authorized to do so, and the response to such Data Subject Request is required under Data Protection Laws and Regulations. performing the services of the Sub-processors under the terms of the Agreement. Upon written request of the Customer, QuickLaunch will provide to Customer a list of its then-current Sub-processors. Customer acknowledges and agrees that (a) QuickLaunch's Affiliates may be retained as Sub-processors; and (b) QuickLaunch and its Affiliates respectively may engage third-party Sub-processors in connection with the provision of the Service. In the event Customer objects to a third-party Sub-processor, and that objection is not unreasonable, QuickLaunch will use reasonable efforts to make available to Customer a change in the Service or recommend a commercially-reasonable change to Customer's configuration or use of the Service to avoid Processing of Personal Data by the objected-to new Sub-processor without unreasonably burdening the Customer. If QuickLaunch is unable to make available such change within a reasonable time period, which shall not exceed thirty (30) days, Customer may terminate the applicable Agreement and/or pending work orders with respect only to those aspects of the Service which cannot be provided by QuickLaunch without the use of the objected-to new Sub-processor; this termination must be effected by providing written notice to QuickLaunch. QuickLaunch shall make reasonable efforts to identify the cause of such Customer Data Incident, and take those steps as QuickLaunch deems necessary and reasonable in order to remediate the cause

of such a Customer Data Incident, to the extent that the remediation is within QuickLaunch's reasonable control. The obligations set forth herein shall not apply to incidents that are caused by either Customer or Customer's Users.

14. **Return of Customer Data.** QuickLaunch shall return Customer Data to Customer and, to the extent allowed by applicable law, delete Customer Data in accordance with the procedures and time periods specified in the Trust & Compliance Documentation, unless the retention of the data is requested from QuickLaunch according to mandatory statutory laws.

Each Authorized Affiliate agrees to be bound by the obligations under this DPA and, to the extent applicable, the Agreement. An Authorized Affiliate is not and does not become a party to the Agreement, and is only a party to the DPA. All access to and use of the Service by Authorized Affiliate(s) must comply with the terms and conditions of the Agreement and any violation thereof by an Authorized Affiliate shall be deemed a violation by Customer.
16. **Communications.** The Customer that is the contracting party to the Agreement shall remain responsible for coordinating all communication with QuickLaunch under this DPA, and shall be entitled to transmit and receive any communication in relation to this DPA on behalf of its Authorized Affiliate(s).
17. **Exercise of Rights.** Where an Authorized Affiliate becomes a party to the DPA, it shall to the extent required under applicable Data Protection Laws and Regulations be entitled to exercise the rights and seek remedies under this DPA, except where applicable Data Protection Laws and Regulations require the Authorized Affiliate to exercise a right or seek any remedy under this DPA against QuickLaunch directly by itself, the parties agree that (i) solely the Customer that is the contracting party to the Agreement shall exercise any such right or seek any such remedy on behalf of the Authorized Affiliate, and (ii) the Customer that is the contracting party to the Agreement shall exercise any such rights under this DPA in a combined manner for all of its Authorized Affiliates together, instead of doing so separately for each Authorized Affiliate.

20. **Data Protection Impact Assessment.** Upon Customer's request, QuickLaunch shall provide Customer with reasonable cooperation and assistance if and as needed to fulfill Customer's obligation under the GDPR to carry out a data protection impact assessment related to Customer's use of the Service, to the extent Customer does not otherwise have access to the relevant information, and to the extent such information is available to QuickLaunch. Likewise, QuickLaunch shall provide reasonable assistance to Customer in the cooperation or prior consultation with the Supervisory Authority in the performance of its tasks relating to Section 21 of this DPA, to the extent required under the GDPR.
21. **Standard Contractual Clauses.** The Standard Contractual Clauses apply to (i) the legal entity that has executed the Standard Contractual Clauses as a data exporter and its Authorized Affiliates and, (ii) all Affiliates of Customer established within the European Economic Area, Switzerland and the United Kingdom, which have signed Agreements and/or work orders for the Service. For the purpose of the Standard Contractual Clauses the aforementioned entities shall be deemed "data exporters."
22. **Customer's Processing Instructions.** This DPA and the Agreement are Customer's complete and final instructions at the time of signature of the Agreement to QuickLaunch for the Processing of Personal Data. Any additional or alternate instructions must be agreed upon separately. For the purposes of Clause 5(a) of the Standard Contractual Clauses, the following is deemed an instruction by the Customer to process Personal Data: (a) Processing in accordance with the Agreement and applicable Order Form(s); (b) Processing initiated by Users in their use of the Service and (c) Processing to comply with other reasonable instructions provided by Customer (e.g., via email) where such instructions are consistent with the terms of the Agreement.

Customer may contact QuickLaunch in accordance with the "Notices" Section of the Agreement to request an on-site audit of the procedures relevant to the protection of Personal Data. Customer shall reimburse QuickLaunch for any time expended for any such on-site audit at the QuickLaunch Group's then-current professional services rates, which shall be made available to Customer upon request. Before the commencement of any such on-site audit, Customer and QuickLaunch shall mutually agree upon the scope, timing, and duration of the audit in addition to the reimbursement rate for which Customer shall be responsible. All reimbursement rates shall be reasonable, taking into account the resources expended by QuickLaunch. Customer shall promptly notify QuickLaunch and provide information about any actual or suspected non-compliance discovered during an audit. The provision in this section shall by no means derogate from or materially alter the provisions on audits as specified in the Standard Contractual Clauses.

24. **Data Deletion.** The parties agree that the certification of deletion of Personal Data that is described in Clause 12(1) of the Standard Contractual Clauses shall be provided by QuickLaunch to Customer only upon Customer's request.

The data subject can enforce against the subprocessor this Clause, Clause 5(a) to (e) and (g), Clause 6, Clause 7, Clause 8(2), and Clauses 9 to 12, in cases where both the data exporter and the data importer have factually disappeared or ceased to exist in law or have become insolvent, unless any successor entity has assumed the entire legal obligations of the data exporter by contract or by operation of law as a result of which it takes on the rights and obligations of the data exporter, in which case the data subject can enforce them against such entity. Such third-party liability of the subprocessor shall be limited to its own processing operations under the Clauses.

- (a) that the processing, including the transfer itself, of the personal data has been and will continue to be carried out in accordance with the relevant provisions of the applicable data protection law (and, where applicable, has been notified to the relevant authorities of the Member State where the data exporter is established) and does not violate the relevant provisions of that State;
- (b) that it has instructed and throughout the duration of the personal data processing services will instruct the data importer to process the personal data transferred only on the data exporter's behalf and in accordance with the applicable data protection law and the Clauses;
- (c) that the data importer will provide sufficient guarantees in respect of the technical and organisational security measures specified in Appendix 2 to this contract;

and against all other unlawful forms of processing, and that these measures ensure a level of security appropriate to the risks presented by the processing and the nature of the data to be protected having regard to the state of the art and the cost of their implementation;

- (e) that it will ensure compliance with the security measures;
- (f) that, if the transfer involves special categories of data, the data subject has been informed or will be informed before, or as soon as possible after, the transfer that its data could be transmitted to a third country not providing adequate protection within the meaning of Directive 95/46/EC;

- (i) that, in the event of subprocessing, the processing activity is carried out in accordance with Clause 11 by a subprocessor providing at least the same level of protection for the personal data and the rights of data subject as the data importer under the Clauses; and

Clause 5

Obligations of the data importer

The data importer agrees and warrants:

- (a) to process the personal data only on behalf of the data exporter and in compliance with its instructions and the Clauses; if it cannot provide such compliance for whatever reasons, it agrees to inform promptly the data exporter of its inability to comply, in which case the data exporter is entitled to suspend the transfer of data and/or terminate the contract;
- (b) that it has no reason to believe that the legislation applicable to it prevents it from fulfilling the instructions received from the data exporter and its obligations under the contract and that in the event of a change in this legislation which is likely to have a substantial adverse effect on the warranties and obligations provided by the Clauses, it will promptly notify the change to the data exporter as soon as it is aware, in which case the data exporter is entitled to suspend the transfer of data and/or terminate the contract;

- (c) that it has implemented the technical and organisational security measures specified in Appendix 2 before processing the personal data transferred; (d) that it will promptly notify the data exporter about:
 - (i) any legally binding request for disclosure of the personal data by a law enforcement authority unless otherwise prohibited, such as a prohibition under criminal law to preserve the confidentiality of a law enforcement investigation,
 - (ii) any accidental or unauthorised access, and
 - (iii) any request received directly from the data subjects without responding to that request, unless it has been otherwise authorised to do so;
- (e) to deal promptly and properly with all inquiries from the data exporter relating to its processing of the personal data subject to the transfer and to abide by the advice of the supervisory authority with regard to the processing of the data transferred;
- (f) at the request of the data exporter to submit its data processing facilities for audit of the processing activities covered by the Clauses which shall be carried out by the data exporter or an inspection body composed of independent members and in possession of the required professional qualifications bound by a duty of confidentiality, selected by the data exporter, where applicable, in agreement with the supervisory authority;
- (g) to make available to the data subject upon request a copy of the Clauses, or any existing contract for subprocessing, unless the Clauses or contract contain commercial information, in which case it may remove such commercial information, with the exception of Appendix 2 which shall be replaced by a summary description of the security measures in those cases where the data subject is unable to obtain a copy from the data exporter;
- (h) that, in the event of subprocessing, it has previously informed the data exporter and obtained its prior written consent;
- (i) that the processing services by the subprocessor will be carried out in accordance with Clause 11;
- (j) to send promptly a copy of any subprocessor agreement it concludes under the Clauses to the data exporter.

Clause 6

Liability

1. The parties agree that any data subject, who has suffered damage as a result of any breach of the obligations referred to in Clause 3 or in Clause 11 by any party or subprocessor is entitled to receive compensation from the data exporter for the damage suffered.
2. If a data subject is not able to bring a claim for compensation in accordance with paragraph 1 against the data exporter, arising out of a breach by the data importer or his subprocessor of any of their obligations referred to in Clause 3 or in Clause 11, because the data exporter has factually disappeared or ceased to exist in law or has

become insolvent, the data importer agrees that the data subject may issue a claim against the data importer as if it were the data exporter, unless any successor entity has assumed the entire legal obligations of the data exporter by contract or by operation of law, in which case the data subject can enforce its rights against such entity.

The data importer may not rely on a breach by a subprocessor of its obligations in order to avoid its own liabilities.

3. If a data subject is not able to bring a claim against the data exporter or the data importer referred to in paragraphs 1 and 2, arising out of a breach by the subprocessor of any of their obligations referred to in Clause 3 or in Clause 11 because both the data exporter and the data importer have factually disappeared or ceased to exist in law or have become insolvent, the subprocessor agrees that the data subject may issue a claim against the data subprocessor with regard to its own processing operations under the Clauses as if it were the data exporter or the data importer, unless any successor entity has assumed the entire legal obligations of the data exporter or data importer by contract or by operation of law, in which case the data subject can enforce its rights against such entity. The liability of the subprocessor shall be limited to its own processing operations under the Clauses.

Clause 7

Mediation and jurisdiction

1. The data importer agrees that if the data subject invokes against it third-party beneficiary rights and/or claims compensation for damages under the Clauses, the data importer will accept the decision of the data subject:
 - (a) to refer the dispute to mediation, by an independent person or, where applicable, by the supervisory authority;
 - (b) to refer the dispute to the courts in the Member State in which the data exporter is established.
2. The parties agree that the choice made by the data subject will not prejudice its substantive or procedural rights to seek remedies in accordance with other provisions of national or international law.

Clause 8

Cooperation with supervisory authorities

1. The data exporter agrees to deposit a copy of this contract with the supervisory authority if it so requests or if such deposit is required under the applicable data protection law.
2. The parties agree that the supervisory authority has the right to conduct an audit of the data importer, and of any subprocessor, which has the same scope and is subject to the same conditions as would apply to an audit of the data exporter under the applicable data protection law.

3. The data importer shall promptly inform the data exporter about the existence of legislation applicable to it or any subprocessor preventing the conduct of an audit of the data importer, or any subprocessor, pursuant to paragraph 2. In such a case the data exporter shall be entitled to take the measures foreseen in Clause 5 (b).

Clause 9

Governing Law

The Clauses shall be governed by the law of the Member State in which the data exporter is established.

Clause 10

Variation of the contract

The parties undertake not to vary or modify the Clauses. This does not preclude the parties from adding clauses on business related issues where required as long as they do not contradict the Clause.

Clause 11

Subprocessing

1. The data importer shall not subcontract any of its processing operations performed on behalf of the data exporter under the Clauses without the prior written consent of the data exporter. Where the data importer subcontracts its obligations under the Clauses, with the consent of the data exporter, it shall do so only by way of a written agreement with the subprocessor which imposes the same obligations on the subprocessor as are imposed on the data importer under the Clauses. (This requirement may be satisfied by the subprocessor co-signing the contract entered into between the data exporter and the data importer under this Decision.) Where the subprocessor fails to fulfil its data protection obligations under such written agreement the data importer shall remain fully liable to the data exporter for the performance of the subprocessor's obligations under such agreement.
2. The prior written contract between the data importer and the subprocessor shall also provide for a third-party beneficiary clause as laid down in Clause 3 for cases where the data subject is not able to bring the claim for compensation referred to in paragraph 1 of Clause 6 against the data exporter or the data importer because they have factually disappeared or have ceased to exist in law or have become insolvent and no successor entity has assumed the entire legal obligations of the data exporter or data importer by contract or by operation of law. Such third-party liability of the subprocessor shall be limited to its own processing operations under the Clauses.
3. The provisions relating to data protection aspects for subprocessing of the contract referred to in paragraph 1 shall be governed by the law of the Member State in which the data exporter is established.
